Resilient in the Face of Adversity

J. HALL JONES, JR., LAMBDA BETA '91
KDR FOUNDATION PRESIDENT

WE ARE PROUD TO PRESENT YOU with the 2019-20 edition of the Kappa Delta Rho Foundation Annual Report. This is my first Annual Report as Foundation President, so let me initially thank our past President, Gregg Klein, OA '95, for his guidance and leadership. Thankfully, he is remaining a Trustee and will be an active participant in Foundation endeavors. I have served as a volunteer for Kappa Delta Rho for nearly thirty years, as a member of the National Board of Directors for ten years holding several officer positions, and the Foundation Board for the past eighteen years, serving as the Vice President – Investment since 2005. I am honored and privileged to be succeeding Brother Klein as Kappa Delta Rho Foundation President. This past year was a difficult one for the Foundation in that contributions to the Annual Fund declined versus the prior year. The impact that COVID-19 has had on our Brotherhood cannot be understated. There are many Brothers who have lost jobs, or seen compensation reduced as firms look to cut costs and navigate through a weakened economy. Universities closed their doors and sent students home in the spring and transitioned to remote learning. There is still much uncertainty as to how this academic year will evolve.

However, we can all be proud of the resilience our undergraduate Brothers displayed while navigating these uncertain times. Because of your support, the National developed an online educational program that could be utilized seamlessly throughout the spring semester. In addition, our educational program recently won the Laurel Wreath Award from the North American Interfraternity Conference. A quote from the press release: "This pioneering curriculum is at the forefront of industry trends in organizational development." Throughout the spring, our chapters continued to operate, and our new members that were recruited this past semester were initiated as planned. The ability for our Fraternity to continue to stand head and shoulders above our peers is a direct result of the financial support that you, the Brothers and benefactors of Kappa Delta Rho, have generously donated to the Foundation. Thank you!

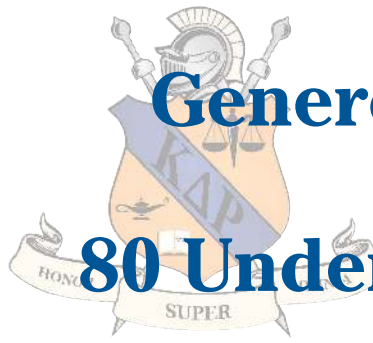

While awards are somewhat satisfying, the Fraternity is not resting on these laurels. There is much more that we can do to improve and enhance the fraternity experience for our Brotherhood. KDR is developing new, cutting edge programming to enhance the health and wellness of our undergraduate Brothers, Brothers' Keeper. Providing the programming is in line with our Precepts where we promise to "engage in the service of mankind, not for the praise or recognition that such service may bring, but because it is

We can all be proud of how well the National and our undergraduate Brothers navigated these uncertain times.

the right thing to do". Embarking on a campaign to fund the Brothers' Keeper initiative is the "right thing to do", and the Foundation is nearing the end of the planning stage to make it a reality. More to come!!

The success of KDR is a team effort and I would like to thank the Foundation Trustees, the Fraternity Directors, and staff for the time and energy they give to our organization. I also want to thank our donors! Without your generosity and support, it would be much more difficult to provide our chapters with the support and services they deserve. There are many ways that we can support our Brothers through time, talent, and treasure. If you have any concerns or suggestions, please reach out to me at hjones@kdr.com.

Generosity of 376 donors directly impacted 80 Undergraduate Brothers

MARK S. WEST, UPSILON ALPHA '88
VICE PRESIDENT OF DEVELOPMENT AND COMMUNICATIONS

IT HAS PROVEN TO BE A CHALLENGING TIME for many organizations, with COVID-19 and the resulting economic recession. Kappa Delta Rho is not immune. With that said, the Foundation's results were impressive. Three hundred seventy-six (376) of you provided support of just over \$121,000 for the Annual Fund. Your support enabled us to impact the lives of our undergraduate Brothers through awarding more than \$100,000 in scholarships (40 Brothers from 14 chapters) and another 40 plus Brothers attending Consuls Academy in January 2020.

Since March 2020, KDR has risen to the challenge and overcome many obstacles placed in our way, so that our Order can thrive and grow in these uncertain times. KDR continues to provide services to our undergraduate members, as their host colleges and universities work out what normal operations should look like during this challenging period. Some of the services KDR provides include:

- ❖ Providing a virtual environment for the chapters to facilitate meetings and events to maintain contact with their chapter Brothers.
- ❖ Facilitating coaching calls for chapters on how to operate in this new environment, so when we return to normalcy, our

chapters hit the ground running.

- ❖ Offering access to a Mental Health awareness and education platform, Kappa Delta Rho Lifelines, to provide information to our Brothers (Alumni and Undergraduate) to successfully manage and cope with the new normal (<http://kappadeltarho.ulifeline.org/>).

- ❖ Training and coaching on how to facilitate virtual recruitment to ensure our chapters maintain their membership.

This past Fiscal Year (FY), as a Brotherhood, we recorded our 13th highest Annual Fund giving in our 25-year history, which demonstrates the continued commitment of our alumni, undergraduates, parents, and friends of the fraternity. **We continue to strive to be good stewards of your generosity. The Foundation's five-year average for its Fundraising Efficiency is 15% which means we are only spending \$.15 for every dollar raised. What is more incredible is our five-year average for Program Services Ratio is 72% which means \$.72 of every dollar donated is directly going to support our mission of providing educational and scholarship opportunities to our Fraternity. We are only spending \$.13 of every dollar raised to operate the Foundation.**

(continued on page 19)

▼8.5%

TOTAL GIVING decreased slightly by **8.5%** over the previous fiscal year. We received nearly **\$314,000** between the Annual Fund, Restricted Giving, and Scholarships.

13¢

We are only spending **13¢** of every dollar raised to operate the Foundation.

76%

In the area of Restricted Giving (gifts other than the Annual Fund), we raised over **\$182,770** with **76 percent** going toward Brothers' Keeper.

\$53,000

Our scholarship program had another great year with gifts coming in just over **\$53,000**.

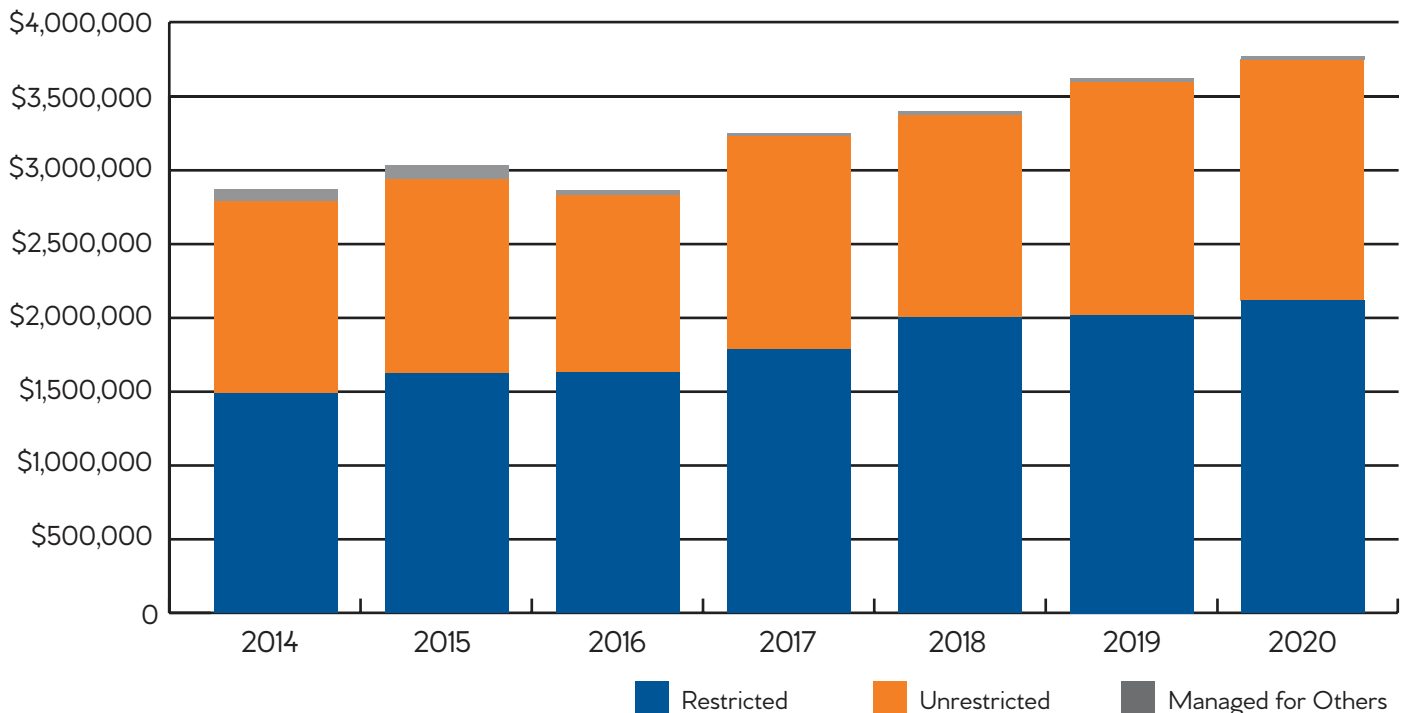

A Financial Overview of the Kappa Delta Rho Foundation

GREGG STEAMER, DELTA '74
VICE PRESIDENT OF INVESTMENT

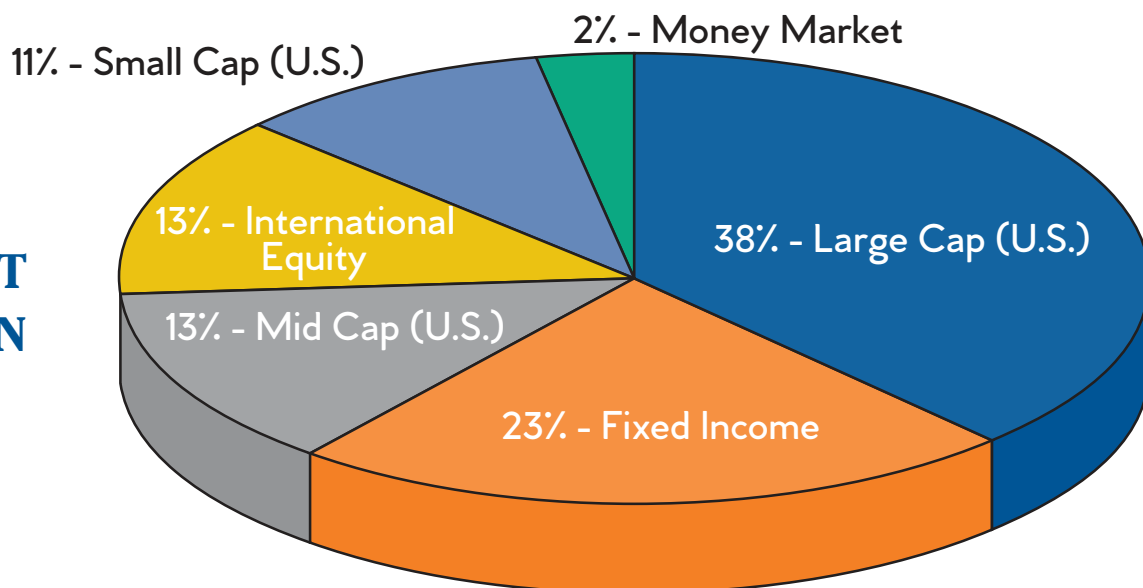

THE KAPPA DELTA RHO FOUNDATION provides a vital support function in the growth and success of Kappa Delta Rho by providing financial resources to keep our fraternity strong and growing. With the support of our alumni and friends, **more than \$363,578** has been granted to the Fraternity for educational and leadership programming since 2014. In addition, **\$732,698** in chapter specific or field of study specific scholarships has been awarded to Kappa Delta Rho undergraduates and alumni during this time.

ASSETS UNDER MANAGEMENT (as of June 30)

The Foundation's asset allocation places priority on preserving endowment corpus by conservatively investing in a mix of equity and debt index funds to produce investment returns at a rate exceeding inflation. The Investment Committee of the Foundation is responsible for the management of all endowed funds of the Kappa Delta Rho Foundation. These funds include the general endowment, which supports the educational programming of the Fraternity, as well as the numerous scholarships designated to support the ongoing education of our active members and alumni pursuing undergraduate and graduate degrees.

ASSET ALLOCATION

The Foundation fully supports the creation and endowment of new scholarships and has established policies governing restricted purpose and endowment funds consistent with applicable law. We account for these assets in separate funds based on fund purpose and donor-imposed restrictions. The Foundation seeks to preserve the corpus and utilize only earnings for all endowment funds with a current maximum payout rate of 5% (as defined in its Investment

Policy Statement – revised 2011). An endowment fund is formed only upon the creation and acceptance by the Foundation of an Endowment Fund Agreement that conforms to relevant policy. In recent years, several scholarships have become fully endowed including the Paul Downes Iota Beta Scholarship Fund, the Robert D. Lynd Scholarship Fund and the Iota Beta Chapter Scholarship Fund.

An additional avenue of service the Foundation provides is offering the Chapter Loan Fund. The Fund was established by the Trustees to make loans as an aid to chapters or alumni corporations of the Fraternity in building, remodeling, purchasing, financing or refinancing chapter houses or for acquiring equipment, furnishings, or fixtures for the chapter. The Fund acts as a revolving fund and all loan payments, including interest are retained within the Fund and recycled for future chapter loans.

ALOK K. KAPOOR,
IOTA BETA '93

LIKE MANY OF YOU READING THIS, KDR has had a much more significant impact in my life than I could ever have imagined in my college years, and as I've grown older, I've felt compelled in some small way to give back by "paying it forward". I've done that off and on in small ways over the years through targeted giving and even some volunteer work, but never the "big step" of KDR's Heritage Society.

I always thought I'd get around to it eventually – but frankly the idea of opening up our estate plan and engaging an attorney to do so wasn't at the top of my priorities. So the idea sat on the backburner until a recent conversation my wife and I were having with our financial advisor. In the conversation we discussed the idea of organizations that matter to us, like Kappa Delta Rho, and how there ought to be an easier way to support planned giving than opening up our estate plan. And he said, "There is!"

That's when we discussed ideas like adjusting beneficiaries on our retirement accounts or even life insurance as a relatively easy way to incorporate these wishes into our estate plans. And, to my surprise, I found it truly is simple. Within a few clicks I was able to add Kappa Delta Rho Foundation as a beneficiary on my Fidelity Retirement Account, print out a form, sign with my wife, and submit!

We are pleased to do our small part in helping ensure the lasting legacy of this great organization so it can benefit generations to come.

2020 PARENTS FUND

ALOK K. KAPOOR, IOTA BETA '93
AND RAJ KAPOOR, IOTA BETA '20

IT HAS BEEN NEARLY THIRTY YEARS since the chartering of the Iota Beta chapter of Kappa Delta Rho at the Rochester Institute of Technology. It was there at RIT in my sophomore year that I was introduced to KDR by fellow Brothers that were working in a student government association along with me. They described a new, different kind of fraternity they were forming. Something well beyond the stereotypes I was familiar with. My intrigue grew from there – and little did I know how much of an impact that fortuitous encounter would have on the rest of my life. So much of who I am today can be tied back to my becoming a man as a KDR at RIT.

Not too long ago one of my sons started his college experience at RIT and seeing what an impact the fraternity had on me, and the lifelong connections he saw that came with it, to my pleasure he too pledged KDR. While his path was different than mine, the support and comradery of his brothers were the same.

So I am both a proud Kappa Delta Rho brother and parent and want to avail every opportunity to support our KDR students in all aspects of their lives, to enable them to become the best version of themselves. I know KDR helped me, and continues to, in that constant quest I have in becoming a better person. I view the KDR Foundation Parents Fund as one vehicle parents have in supporting KDR students. The KDR Foundation provides a vast array of scholarship opportunities.

*I view the KDR Parents Fund as one vehicle
parents have in supporting KDR students.*

Thanks to the Foundation, our KDR sons have access to scholarships and leadership development programs that will help them academically and professionally. This past year the Foundation awarded over \$100,000 in scholarships. It also sponsored high-quality education programs, such as the “Legion,” Williams Leadership Academy, and the Consuls Academy, which teach our sons valuable social and leadership skills. These programs do have a price tag, however. Please join my family and me in supporting the Kappa Delta Rho Foundation Parents Fund. All donations are tax-deductible! Visit KDRfoundation.org to learn more about the Foundation and to donate online. If you would like more information on the KDR Foundation, contact J. Hall Jones, President of the Kappa Delta Rho Foundation, at hjones@kdr.com to learn more about the importance of the KDR experience in your son's life.

BROTHERS' KEEPER CAMPAIGN CO-CHAIRS

WE ARE PROUD AND HUMBLLED to have been asked to Co-Chair KDR's program called Brothers' Keeper. It began when the staff and leadership identified that KDR had experienced an average of one suicide per year over the last ten years. This was not only tragic but led to in depth discussions. We knew it was a societal issue, but the question arose should we, as a fraternal family, within reason have programs to "have our Brother's back"? We are proud to say the conclusion was yes! We are even prouder to share that KDR is implementing an industry leading program called Brothers' Keeper that is intended to provide resources and opportunities to support and educate our undergraduate Brothers.

The Brothers' Keeper Campaign has a goal to raise \$2.5 million over the next five years to provide endowed resources to support the programs in perpetuity. We each know that over time the needs may evolve or change, but they will never go

We know that over time the needs may evolve or change, but they will never go away.

away. We are in the quiet phase of the campaign. We are grateful to the Brothers listed on the next page who have stepped up to say "yes, I have my Brother's back" with their commitment to the Brothers' Keeper Campaign.

We hope you will join us. To help as a volunteer or discuss how you can help or make a pledge contact us at:
jhubbard3727@frontier.com; or bparis@elevateims.com

Brothers' Keeper consists of the following programs:

THE PROGRAM IS INTENDED TO PROVIDE:

- Lifeline: KDR, in collaboration with the JED Foundation, developed online resources on mental-health concerns through a KDR-branded website, kappadeltarho.ulifeline.org.
- Access available online to a talk therapist (24 hours a day) for those at risk or their peers.
- Legion Member Education Program: An award-winning total member education that utilizes blended learning and is self-directed after the initial period of membership.
- TIPS Training: Training for Intervention ProcedureS is educational programming and training for the responsible service, sale, and consumption of alcohol.
- Educational programming at the Consuls Academy and Elmon M. Williams Leadership Academy: These programs are to educate the undergraduates on the current mental-health issues and effective leadership skills, as well as the resources available to support them.
- Mental Health First Aid (www.mentalhealthfirstaid.com): Mental Health First Aid teaches you how to identify, to understand, and to respond to signs of mental illness and substance use disorders in your community.
- Director of Health & Wellness position. An endowed position of director of health and wellness, whose responsibility it is to oversee the implementation of the Brothers' Keeper program and risk-management education.

KDR FOUNDATION SCHOLARSHIPS

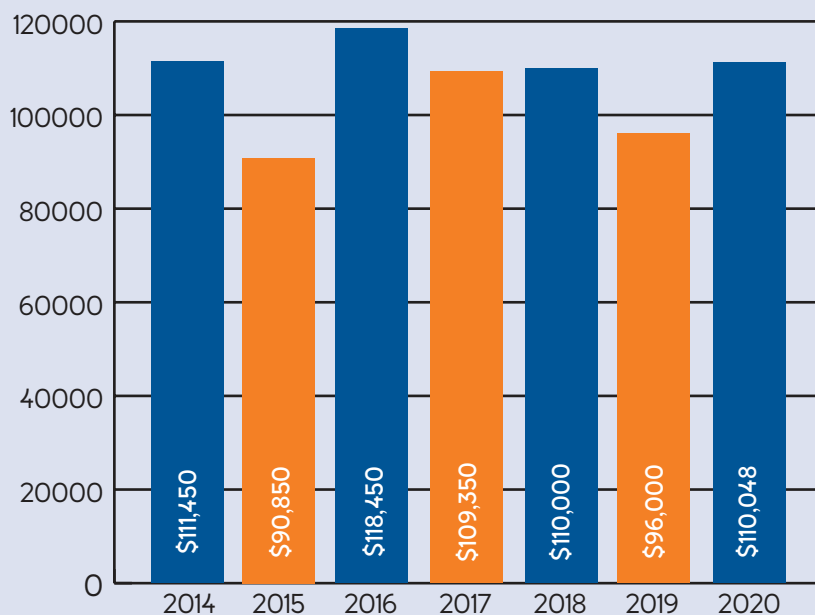

SUPPORT OF THE KAPPA DELTA RHO FOUNDATION and its scholarships allows us the opportunity to give back to KDR and assist those who have come after us in the Fraternity. This is clearly understood by one undergraduate Brother this past year who wrote:

"Thank you for your generous donation to the Kappa Delta Rho Foundation. Because of the amazing donors, like yourself, students like me are afforded the opportunities of a lifetime to be Brothers of an outstanding organization. I see your donation as an investment. An investment in KDR, an investment in myself and an investment in the future. My family can no longer assist me in paying for my education. I simply cannot express how thankful I am for your donation. Actions such as yours inspire me to look for ways to give back in my daily life as a way of paying it forward. It is amazing to see the generosity and spirit of the KDR values so greatly represented in our Brothers and Alumni. Honor Super Omnia"

Brothers of the Alpha Beta Chapter taking time out from their studies to volunteer at the Food bank of Delaware.

SCHOLARSHIPS DISTRIBUTED 2014-20

I may not know you and I may never meet you in-person, but I need you to know that you have affected my life for the better and I'll never forget that. One day I will pass this generous gesture on to the next KDR in need, but for now all I can say is thank you for what you've done for this KDR."

We are proud to recognize the achievements and character of so many KDR Brothers, which are unfortunately not the types of stories that get aired by the media. Our Fraternity is filled with amazing Brothers who today are leaders on campus and will later be leaders in our communities.

Gratitude is an important element in life. As part of the application process, Brothers can prospectively submit a voluntary Thank You letter which isn't part of the selection process, and we would like to share one with you.

"I want to start by saying thank you. Thank you for making an impact on my life in more ways than you could imagine. This scholarship affects my life in more ways than you'd think. I come from a family that's never had much; my dad was our sole provider, but since his retirement I've been under unbelievable stress. Not a day goes by where I don't think about how I'm going to pay for school. This scholarship allows me to breathe a little easier, focus more on school rather than on money, and gives me the freedom I need to be an active member in my chapter. Knowing someone has enough faith in me to invest in my education has given me the motivation I need to keep chasing my dreams."

Over the course of the past two academic years, the Kappa Delta Rho Foundation awarded over \$206,048 in scholarships to over 150 Brothers from 20+ chapters.

The **Wally T. Miller Memorial Scholarship** is named in memory of Wally Miller, Theta '59 who actively supported Theta chapter and served as a trustee and president of the KDR Foundation. This year's scholarship recipient is Alec Unver, Kappa '22.

Highlights from last FY include:

- ❖ Total giving decreased slightly by 8.5% over the previous FY. We raised just over \$314,000 between the Annual Fund, Restricted Giving, and Scholarships.
- ❖ In the area of Restricted Giving (gifts other than the Annual Fund), we raised over \$139,000 with the majority going to Brothers' Keeper (a new initiative of ongoing support for the Brotherhood, which includes educational, leadership, character development programs, and mental health resources).
- ❖ Scholarship program had another great year with gifts coming in just over \$53,000, which was up 5.3% from the previous year.

You are genuinely impassioned about KDR, and it shows through the contributions you have made this past FY, whether donating your time, your talent, your financial support, or all three.

I want to thank all of you who have helped this past year in our journey to strengthening KDR's Foundation and ask for your continued support moving forward.

Faternally,

Mark 'Shelby' West
