KDR FOUNDATION PRESIDENT

We are proud to present you with the 2020-21 edition of the Kappa Delta Rho Foundation Annual Report. After completing my first full year as President of the Foundation, I am excited to share with you some of the successes and challenges that we have faced, and how we intend to build off of them to create a stronger Foundation and Fraternity. As a Foundation we are “**ALL IN!**” as we have rededicated ourselves to the work necessary to make our Fraternity stronger by raising the financial resources required to provide the services that our undergraduate members deserve.

This fiscal year was a year of uncertainty for many of our alumni and undergraduate Brothers as we became more accustomed to talking to a camera or a computer screen than having face-to-face interactions. While this way of communicating was awkward for some, it also allowed Brothers to reconnect in ways they may not have otherwise. Alumni gathered for Zoom Happy Hours and other online events to stay connected to their Brothers. The Foundation utilized this opportunity to invite more volunteers to join our midyear strategy sessions than we could have for an in-person meeting. We continue to receive positive feedback as more Brothers get involved with Foundation activities. We will explore other opportunities through the year to expand our outreach to Alumni Brothers and friends of KDR; the backbone of our Fraternity.

Allow me to list some of the accomplishments this past fiscal year:

NEW SCHOLARSHIPS – We approved four new scholarships/building funds, including our first needs based scholarship – maybe the most funds established in one year since the Foundation was formed. More alumni are stepping up to provide a lasting legacy for our membership!

CAPITAL CAMPAIGN PROGRESS – We are more than halfway (>\$1.3M) to our Brothers’ Keeper capital campaign goal of \$2.5M to fund new programming tar-

geting mental health support and mental health first aid in our Brotherhood.

ANNUAL FUND UPTICK – We exceeded our fundraising goal for the Annual Fund for the first time in several years, although the number of Brothers donating declined. We expect to reverse that trend by providing more details of the positive outcomes your contributions have on the undergraduates.

This fiscal year was a year of uncertainty for many of our alumni and undergraduate Brothers.

BETTER COMMUNICATION – We have been more engaged with the Fraternity Board and our Alumni than we have been in several years. We understand the need to promote the positive impact derived from your support of the Fraternity’s educational and wellness programming. Expect more encouraging stories in the coming year.

Donation dollars well spent. We can all be proud of how well the National Fraternity and our undergraduate Brothers navigated these uncertain times. ***Because of your support,*** the National Fraternity developed an online educational program that could be utilized seamlessly throughout the fall and spring semesters. While other fraternities struggled with the complexities of recruiting and educating during the pandemic, KDR’s operations were as close to “business as usual” as it could be. The Fraternity’s success is a direct result of the financial support that you, the Brothers and benefactors of Kappa Delta Rho, have generously donated to the Foundation. **THANK YOU!**

We're grateful for your continued support!

MARK S. WEST, UPSILON ALPHA '88
VICE PRESIDENT OF DEVELOPMENT AND COMMUNICATIONS

As we look back on another year with continued challenges, the Kappa Delta Rho Foundation has made progress in many areas, and I want to take a moment to say thank you.

Thanks to the commitment of donors like you, we beat our Annual Fund goal and ended the fiscal year just under \$124,000.

KDR has risen to the challenge and overcome many obstacles placed in our way, so our Fraternity can continue to thrive and grow in these uncertain times. We continue to provide services to our undergraduate members, as colleges and universities return to normal operations. Some of those services include:

- Delivering a virtual environment for chapters to facilitate meetings, recruitment, and events to maintain their membership.
- Facilitating coaching calls for chapters on how to operate in a semi-virtual environment.
- Offering access to a Mental Health awareness and education platform, Kappa Delta Rho Lifelines, to provide information to our Brothers (Alumni and Undergraduate) to successfully manage and cope with the new normal (<http://kappadeltarho.ulifeline.org/>).

For FY 2020- 2021, the continued dedication of our alumni, undergraduates, parents, and friends of the Fraternity have helped us achieve the following:

- Total giving increased by 20.3% over the previous FY. We raised just over \$388,000 between the Annual Fund, Restricted Giving, and Scholarships.

■ In the area of Restricted Giving, we raised over \$225,000 with the majority coming in for the Brothers' Keeper Campaign at \$197,800. As a reminder, Brothers' Keeper is our new initiative of ongoing support for the Brotherhood which includes educational, leadership, and

character development programs, along with mental health resources. By August 2021, we were halfway (>\$1.3M) to our goal of \$2.5M as mentioned earlier by Foundation President, Hall Jones.

■ Scholarship donations saw another solid year coming in just under \$39,000. Congratulations goes out to both Rho (Lafayette College) and Iota Beta (Rochester Institute of Technology) alumni for leading the way with 87% of the total Scholarship gifts received in FY 2020-2021.

From all of us at the Kappa Delta Rho Foundation, I want to say thank you as we're grateful for your continued support!

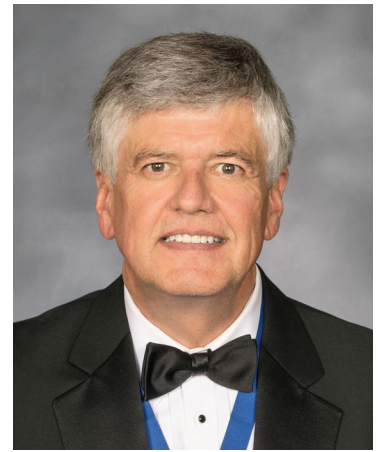

Fraternally,

Mark Shelby West, Upsilon Alpha '88
Vice President of Development and Communication

Rho and Iota Beta Chapter alumni led the way in Scholarship gifts with 87% of the total received in FY 2020-2021.

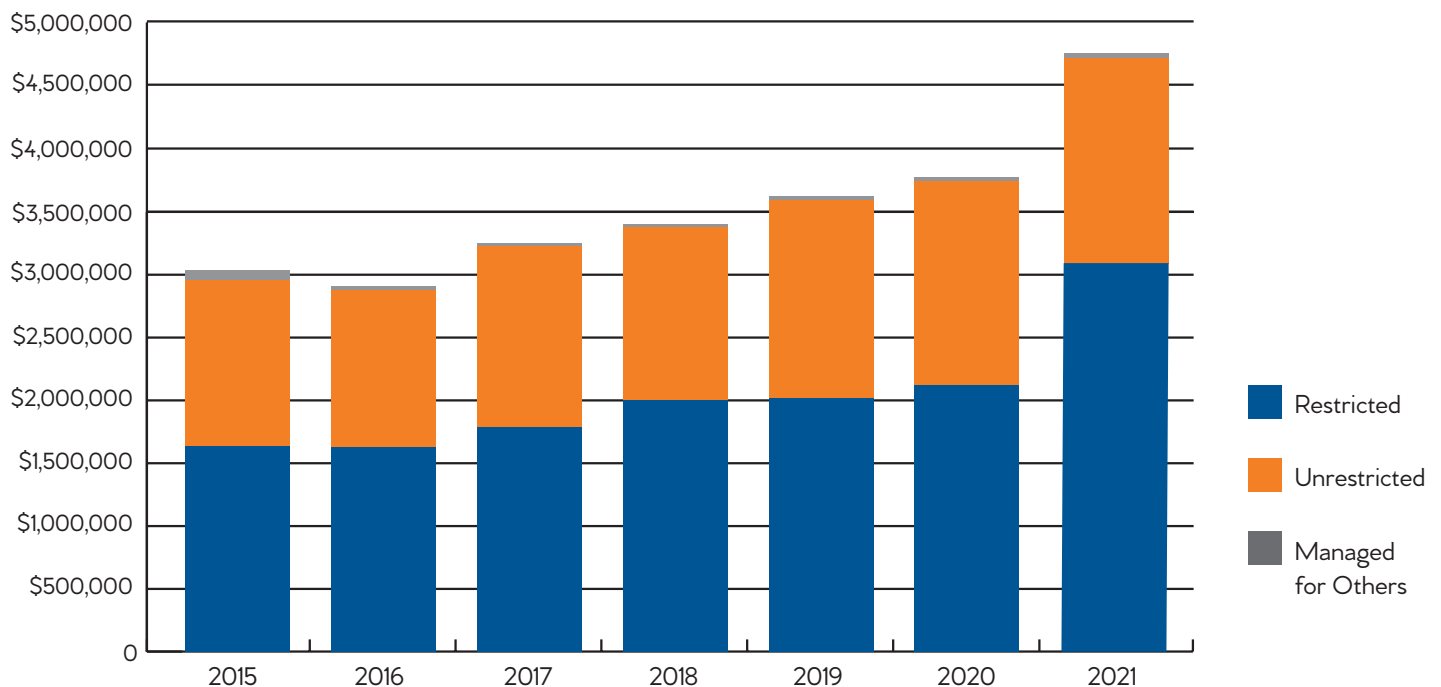

A Financial Overview of the Kappa Delta Rho Foundation

GREGG STEAMER, DELTA '74
VICE PRESIDENT OF INVESTMENTS

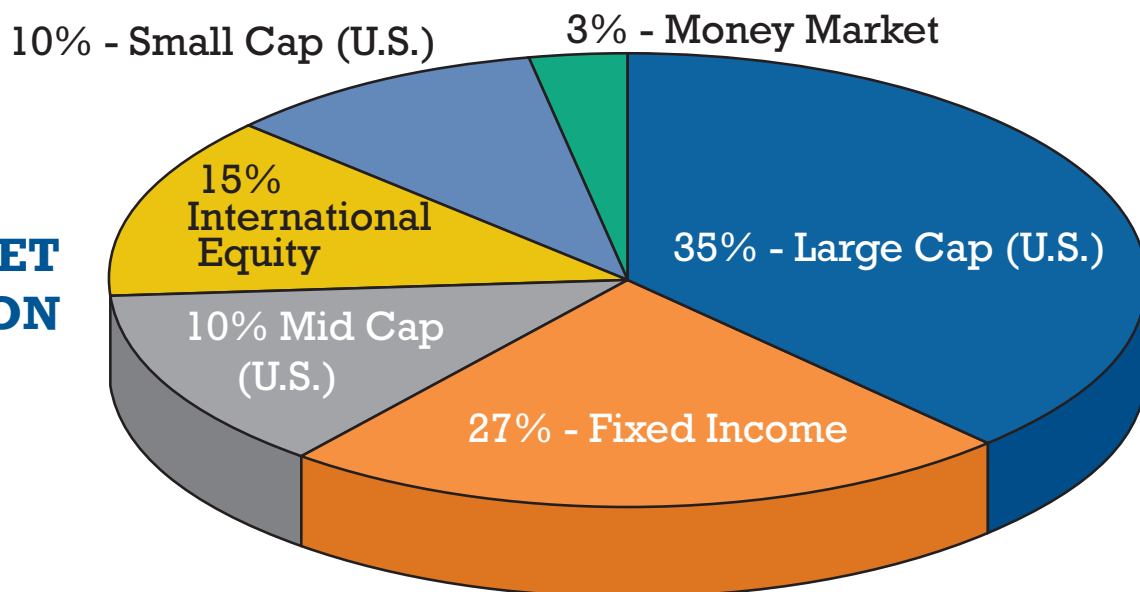

The Kappa Delta Rho Foundation provides a vital support function in the growth and success of Kappa Delta Rho by providing financial resources to keep our Fraternity strong and growing. With the support of our alumni and friends, more than **\$310,173** has been granted to the Fraternity for educational and leadership programming since 2015. In addition, **\$647,368** in scholarships have been awarded to Kappa Delta Rho undergraduates and alumni during this time.

ASSETS UNDER MANAGEMENT (as of June 30)

The Foundation's asset allocation places priority on preserving endowment corpus by conservatively investing in a mix of equity and debt index funds to produce investment returns at a rate exceeding inflation. The Investment Committee of the Foundation is responsible for the management of all endowed funds of the Kappa Delta Rho Foundation. These funds include the general endowment, which supports the educational programming of the Fraternity, as well as the numerous scholarships designated to support the ongoing education of our active members and alumni pursuing undergraduate and graduate degrees.

ASSET ALLOCATION

The Foundation fully supports the creation and endowment of new scholarships and has established policies governing restricted purpose and endowment funds consistent with applicable law. We account for these assets in separate funds based on fund purpose and donor-imposed restrictions. The Foundation seeks to preserve the corpus and utilize only earnings for all endowment funds with a current maximum payout rate of 5% (as defined in its Investment Policy Statement – revised 2011). An endowment fund is formed only upon the creation and acceptance by the Foundation of an Endowment Fund Agreement that conforms to relevant policy. In recent years, several scholarships have become fully endowed including the Paul Downes

Iota Beta Scholarship Fund, the Robert D. Lynd Scholarship Fund and the Iota Beta Chapter Scholarship Fund.

One additional service provided by the Foundation to the Chapters is offering short-term loans to Chapters in need through the Chapter Loan Fund. The Fund was established by the Trustees to make loans as an aid to Chapters or alumni corporations of the fraternity in building, remodeling, purchasing, financing or refinancing chapter houses or for acquiring equipment, furnishings, or fixtures for the chapter. The Fund acts as a revolving fund and all loan payments, including interest are retained within the Fund and recycled for future chapter loans.

Following is a portion of an article by then
Foundation President, Thomas V. McComb, Nu '59,
which was printed in the Spring/Summer 2006 *Quill & Scroll*.

Brothers,

I recently read this powerful statement:

COMMITMENT is what transforms a possibility into reality.

COMMITMENT is the words that speak boldly of your intentions
and the actions which speak louder than words.

COMMITMENT is making time when there is none.

COMMITMENT is the stuff character is made of.

COMMITMENT is the power to change the face of things.

COMMITMENT is the daily triumph of integrity over skepticism.

COMMITMENT is one of the key ingredients of a KDR!

When we were initiated into the Brotherhood of Kappa Delta Rho we made certain commitments to ourselves, our Brothers, and mankind. These were not idle promises, but were made from the hearts and minds of each of us. Two such commitments were **dedication** and **loyalty**. Loyalty to the ideals and dedication to the cause and perpetuation of Kappa Delta Rho. Another ingredient of commitment is giving of oneself, either through sharing one's time and/or treasures. We have many KDRs who consistently share one or the other, or both. Sadly, however, there are many more who share neither.

Today, we have more than 17,500 living alumni of KDR; however, less than 10 percent make annual or special gifts to the Fraternity through the Foundation - a dismal showing at best! We should have 30-40 percent of our membership providing some amount of financial commitment to KDR so that its ideals and programs will be perpetuated into the future. KDR's should take a look sometime to see what other fraternities are doing in the area of gifting and it may well open some eyes and hearts as to what should be happening. It makes no difference as to the amount of the gift - some can always give more than others. More importantly, however, it is the COMMITMENT that counts.

I am asking - imploring - each of you who have not made a financial commitment to your Fraternity to do so. **Four thousand (4,000) additional alumni donors at a modest \$25 each would produce \$100,000 of additional funding annually - funding that is desperately needed by your Fraternity to provide critical undergraduate programming, leadership training and chapter development.** Do you have the KDR COMMITMENT and are you willing to share a very small portion of yourself with your Fraternity?

Faternally,
Thomas V. McComb, Nu '59
President

BROTHERS' KEEPER

BROTHERS' KEEPER CAMPAIGN CO-CHAIRS
WILLIAM J. PARIS, ETA '87 JAMES C. HUBBARD, PSI '66

March 30, 2021 marked another significant milestone in the history of KDR as the Fraternity embarked on NOT 'just another Capital Campaign' but, perhaps the most important effort Kappa Delta Rho has ever undertaken... the Brothers' Keeper Campaign. While different from previous campaigns in the Fraternity's history, the purpose of the Brothers' Keeper Campaign should bring all KDR alumni and friends together to support and advance the mission of Kappa Delta Rho. This campaign focuses specifically on the mental health & well-being of our members and supports our leadership development efforts so that our Brothers on campus are equipped to make good decisions. Brothers' Keeper is a program that provides several different resources to not only current undergraduate Kappa Delta Rho Brothers, but KDR alumni as well.

Many Brothers have seen the incredible things that this Campaign is providing to the Fraternity, and have committed to support the campaign. There has been an enormous response thus far. As of August 1, we have seen over 200 donors make a gift or pledge to the Brothers' Keeper Campaign, bringing the amount pledged to over \$1,200,000 of the \$2,500,000 goal. Thank you

so much to all those who have already pledged and have chosen to make a difference in the lives of all Kappa Delta Rho Brothers through a pledge of support.

If you have not yet made your gift or pledge – why not now? The mission of this campaign is one with which everyone can get on board. We have likely all seen someone we know experience a mental health crisis at some point in our lives, or maybe even experienced one ourselves. Through the resources that the Brothers' Keeper Campaign is providing, we hope to make those crises more manageable when they do happen. You can be confident that the support of your Kappa Delta Rho Brothers is always with you. We are our Brothers' Keeper. To make your pledge, visit the Brothers' Keeper information page at kdr.com/foundation/brothers-keeper/ where you will find additional information about the Campaign, see an informational video, as well as see a Donor Wall that includes the names of all Brothers and friends who have supported the campaign thus far. We hope you will consider your best pledge to this worthy campaign. If you have any questions, please do not hesitate to contact either Bill Paris, bparis@elevate-ims.com or Jim Hubbard, jhubbard3727@frontier.com.

Here is a little vulnerability: I struggle. I have struggled. And sometimes, we all struggle. From my perspective, it is the interpersonal connections that help us surpass life's challenging moments.

Giving to the Brother's Keeper Campaign can make a tremendous and important difference in the lives of men across chapters: a gift that, I believe, truly fulfills the oath we took as young men and have the privilege to act on for the rest of our lives.

When I first learned about KDR's aspirations to be a leader among Greek organizations in the area of mental health, I literally leapt at the opportunity. Even in "normal" times, I felt strongly that the need to arm our undergraduate and alumni Brothers with education and support was important -- and that feeling is only amplified given the current pandemic. Beyond being a KDR, as a parent, I feel very strongly that if educating and supporting our undergraduate [and alumni] Brothers can help just one person, then this is all worth it. And I know this will help much more than just one person.

**Alok Kapoor, '93
Iota Beta Chapter**

I got involved with the Brother's Keeper program somewhat by chance. After hearing about the resources that the program offers, I knew immediately that I wanted to be involved in helping the program succeed. As a new grad, I can say with certainty that the Brother's Keeper program is a necessity for college students.

The special thing about the program is that it is not just a tool for Brothers that feel the need to seek immediate help for their mental health; it is also an asset for all Fraternity members to become more self-aware and learn how they can support the other members of their chapter. Moreover, since this program is not limited to only current Brothers, I am confident that former Brothers from all generations (to include new grads like myself), will greatly benefit from the resources and understanding of mental health that the program provides. As someone who lost a Fraternity Brother (and more importantly, a friend) to mental illness in college, I cannot express enough how much I wish this program had been around when I was in college.

ALL IN! Kappa Delta Rho is in the midst of one of the most important fundraising endeavors in our 116-year history — **The Brothers' Keeper capital campaign!** We need all hands on deck to make this effort successful! College students today face more complex challenges than ever before. It is not uncommon for students to turn to alcohol and other drugs to relieve their stress and anxiety. Unfortunately, these situations can develop into more serious incidents such as self-harm or suicide. Most college and university staffs are overwhelmed and underequipped to handle the increasing number of student that seek help. As a Fraternity, we can lead by providing our undergraduates with the skills to be able to minimize the negative outcomes of stress and anxiety and the resources they need to find help. We have accomplished a great deal so far, but I cannot emphasize enough that **we need to be "all in"** to make this campaign successful and provide the services that our undergraduate Brothers deserve. You can find more information on this campaign and how to support it at <https://www.kdr.com/foundation/brothers-keeper/>.

In closing, I want to thank the Foundation Trustees and the Fraternity Directors for the time and energy they give to our organization. I also want to thank our donors! Without your generosity and support, the Fraternity could not provide our chapters with the level of services and programming they receive. There are many ways that we can support our Brothers through time, talent, and treasure. If you have any concerns or suggestions, please reach out to me at hjones@kdr.com or 800-536-5371, ext. 115.

MARK N. LUNDGREN
NU '70

When I was an undergraduate of Nu Chapter at Indiana University, I did not imagine how much KDR would become part of my life. A few years after graduation and living in Chicago, I met my future wife, Kenda, on the beach in the summer of '76, and we were together thereafter until her passing, from ALS, in the fall of 2020.

As we get older, we reflect on experiences in life and the people, things and organizations that matter. In my case, KDR played a prominent role. I was fortunate to be involved for fourteen years as a Director and Officer of the National Fraternity. Kenda would join me as we traveled to various meetings, social events, and many National Conventions. We always were inspired during these occasions to see the energy and enthusiasm of the young men as they grew and developed into future leaders. They were earnest and full of questions about careers and perspectives on life.

As Kenda and I discussed our estate plans, we agreed we wanted to leave our legacy and make a difference for the KDRs of the future. We wanted to give back to benefit young men as they set out on their journeys in life as college students. We learned there were many options to consider. We worked with the KDR Foundation to create a scholarship endowment agreement that fits what we wanted to do. In our case, we established an endowed scholarship to benefit a member of the Nu Chapter at IU, the "Mark N. Lundgren, Nu '70 Memorial Scholarship."

I'm grateful to KDR for the experiences and the opportunities I have enjoyed. Kenda and I are so pleased that we can assist young men of Kappa Delta Rho who follow us in the future to realize their dreams.

Thank you for selecting me as a recipient of this scholarship. As a first-generation college student, it means the world to me the Foundation recognized my numerous accomplishments and to have the financial support from the KDR Foundation. However, striving to accomplish things out of recognition is not my motive. After all, it states in our Precepts, "Engage in the service of mankind, not for the praise or recognition that such service may bring, but because it is the right thing to do." All that I do is for the betterment of my Fraternity, the campus community, and for the local community of Franklin, Indiana. I do these things out of love and gratitude because I want to see all those things prosper and to be able to continue my education at Franklin College. KDR Foundation scholarships ensure I can continue helping my Fraternity, college, and community.

ALL IN!

Dear Scholarship Donors, I am honored to be a recipient of a 2021 Kappa Delta Rho Foundation Scholarship at the University of Toledo. I would like to express my sincere gratitude for your continued support to students who need it most. I am a bilingual first-generation college student enrolled in UT's College of Business and Innovation as a Senior, triple majoring in Information Systems, Management, & Digital Marketing with a minor in Information Security, and I hope to one day work at one of the major cybersecurity firms. Your scholarship has opened a door and the prospect of a brighter future and will play a key role in shaping me into a successful person in the future. Donors like you make life brighter for us, and I can only hope that one day, I too, will be in a position to bring a smile to another needy student. I cannot express my gratitude enough, and I want you to know that your generous support will see me achieve my dreams.

Dear Donors, I and my fellow undergraduate brothers would like to thank you for your donations to the KDR Foundation for scholarships. It is because of your contributions that scholarship recipients, like myself, are able to receive incredible support and recognition for our commitment to service, leadership, and academics. I cannot thank you enough for your generosity and your commitment to KDR's spirit of giving. Your donations help undergraduate Brothers lift the financial burden put on by college, allowing us to focus more time on pursuing the dreams and passions that led us to college and this organization in the first place. Your continuous support will never go unnoticed, and I am so grateful to this organization and my Brothers for the opportunities I've been given. Honor Super Omnia!

I want to express my sincere gratitude to you for your donation to the KDR Foundation. My educational journey would not have been made possible without your support. During my undergraduate years, KDR Foundation scholarships provided me with thousands of dollars, which allowed me to focus on my classes and not have to worry about college costs. I know that for many students, their entire educational journey is only possible through scholarships that were made possible by generous people like you. I hope to one day be able to “pay it forward” as you have done for me all these years.

Yasir Siddiqi

Thank you for your generous contribution to my continuing education. When I was a member of the Eta Chapter at the University of Illinois, I remember echoing the words of our precepts often, "quest for knowledge is an endeavor which will last a lifetime." Today, I recognize the abundance of truth in those words. I am humbled that the Fraternity and Foundation have prioritized the success of its Brothers long after they step out of their respective Chapter houses.

I am incredibly grateful. And I hope to use my education to position myself so that I can pay this forward in the coming years. Our Fraternity's strength lies in the success of its Brothers. And, of course, the ability to supplement their journeys to such success. I hope I can send you another letter in 5 years reflecting on the impact your contribution will have made on my professional and personal life. I am confident it will be a profound one. Till then, I hope you will continue to support young men like me who are eager to better themselves through education. *Honor Super Omnia!*

Donors, Thank you for your continuous support for undergraduate and graduate-level KDR Brothers. As we all know, higher education is necessary but expensive for most college students. I can't put into words how much I appreciate your support. During our chapter meetings, we all stand and recite our Credo. The most rememberable section is "Who am I? My name is *FRATERNITY*. And because I have given Man that which he craves, I shall endure. My sons shall neither falter nor fail. They shall add new lustre to my name." Your support is helping me get through my graduate program that is geared towards higher education. The end goal is to help our Fraternity move forward. Your support is helping me add new lustre to our name. *HSO!*
